

# Calling All Forestry & Wood Science Students: Join Interfob 2024 in Slovakia!

Dear Students,

Greetings from the Technical University in Zvolen, Slovakia! We're thrilled to invite you to participate in **Interfob 2024**, the biggest annual European meeting for students of Forestry and Wood Sciences and Technology!

## What is Interfob?

Interfob 2024 is a week-long experience unlike any other. Immerse yourself in a vibrant atmosphere of knowledge exchange, cultural exploration, and lasting friendships.

Participate in engaging conferences, workshops, and excursions alongside fellow students from across Europe.

## Why Choose Interfob 2024?

- **Expand Your Knowledge:** Gain valuable insights into the latest forestry and wood science advancements from leading experts.
- **Network with International Peers:** Build connections with like-minded students from diverse backgrounds and cultures.
- **Explore Slovakia:** Discover the natural beauty of Slovakia through exciting excursions, cultural experiences and much more!

- **Create Unforgettable Memories:** Make lifelong friendships and share unforgettable experiences with fellow forestry enthusiasts.

## How to Apply?

Visit us at [OUR PAGE](#) for detailed information about the event and application process. Applications are open until 30th of Jun 2024.

**Don't miss out on this incredible chance to connect, learn, and explore! We look forward to welcoming you to Interfob 2024!**

Sincerely,

The TUZVO Interfob 2024 Organizing Team
